## India: The Asian Industrial, Technology & Law nerve-centre

- India is the emerging Asian tiger with formidable advances in manufacturing, services, IT & other domains and is growingly competitive with most global powers in science & technology, nuclear research and space studies
- India prides itself as a leading technology, IT & ITES & Academic hub which attracts several thousand professionals to work and reside here.
- The country has earned global reputation in the field of legal education and has over 2 million lawyers
- Over 130 large law universities, 19 autonomous national law schools, and 1,200 law schools dot the country's legal landscape
- New Delhi and Bangalore together are hosts to over 21 large law universities, besides having presence of other large institutions. Besides, Bangalore has earned the distinction of being the top education & IT destination
- Indian law schools admit over 450,000 law students every year on an average, and close to 70,000 law graduates are created annually
- India is the perfect destination for sourcing under graduate, post graduate, LLM and doctoral students and has been recording the highest number of registrations to US, European & Australian universities for the past decade
- India is a rewarding destination for overseas schools & colleges that are looking to establish a sustainable student outreach program for various disciplines

## Testimonials

*"I have spent most of my time talking to prospective students and I have very much enjoyed the format, the ability for us to spend time presenting and talking to the students on a specific school basis, it has been a very good experience."*

- USC Gould School of Law

*"This fair is one of the best fairs I have attended so far. First of all it is very organized, it is a very important initiative because exchanges experiences, meeting wonderful students and professional from India is a great opportunities."*

- Marko Karadzic,  
Saint Louis University

*"It was very well organized and very well attended the students were really sharp, they knew what question to ask, I was really inspired by it."*

- Huilan Jackson,  
DePaul University, College of Law

## INBA-LLM India Fair 2019

The INBA-LLM India Fair 2019 aims at providing the perfect platform for scores of aspiring Indian law graduates on one hand, and globally reputed law schools and universities from continental America, UK, Canada, and Australia to meet and explore mutually and academically beneficial avenues of learning and growth.

Law universities and schools will be able to demonstrate their sterling academic syllabi and streams, illustrious faculty and highly acclaimed programs to a house full of law students who are desirous of seeking overseas admissions and getting their dreams fulfilled.

Law schools and universities will directly benefit by the presence of scores of pre-qualified law students and their parents at the expo floor as also get heard and noticed at the seminar that would be organized on the sidelines of this fair.

This fruitful India visit could also pave way for overseas law schools to engage into structured meetings with leading law colleges and schools in New Delhi & Bangalore.

## Some INBA affiliated students activities

Students Section under Indian National Bar Association is very active. The students from different parts of the country come together and organize various activities such as:

- Free Legal Aid.
- Mediation Drive.
- National Mootcourt.
- Research Programs.
- Sexual harassment surveys.
- Training to the students under INBA's guidelines.
- Panel Discussions on case laws.
- International debates and workshops on legal reforms.
- Survey conducted on Delhi Police.
- Editing of legal research works.
- Legal reporting on INBA View Point by the students reporters

We have five committees working in the Student section who work in report making of the events, incidences, news. Students under their respective committee's research develop, report.

INBA through its Section for Law Students' manages to promote & uplift the interest of Indian Law Students. The Student Section has a Campus Ambassador program started in June 2013 with currently more than 240 campus Ambassadors in law colleges of the different parts of the country, INBA currently has more than 1600 students members in Delhi and Bangalore who help to connect & network with other law students in the country.

Campus Ambassador Program under INBA Section for Law Students' draws on its rich cultural diversity to offer students a distinctive membership experience, which bridges the gap between disparate legal jurisdictions. Section for Law Students is governed by an Executive Committee, which comprises a team of dedicated law students, whose unflagging efforts in organizing projects enriching the career of law students in India with a sense of leadership.
