Tackling The Future... Today

EVENT BROCHURE & SPONSORSHIP OPPORTUNITIES DOCUMENT In a modern, digitally driven economy, businesses are run globally at breakneck speed. Millions of systems are incessantly talking to each other and trillions of bytes of data keep getting generated, day on day - 24X7X365. The Internet has transcended all geographical barriers and the lives we lead today are both - challenging and complex.

This disruptive world offers an overdose of business information and critical statistics. Tremendous financial, business and legal ramifications such as ownership of business information, civil and criminal liabilities, data protection, privacy, cyber-crimes etc. are the order of the day. In the light of such global practices, the mission critical roles of a General Counsel have shot up exponentially and the roles have undergone a major metamorphosis. The legal services marketplace has become more evolved and demanding and is virtually re-shaping itself with every passing year.

Globalization has brought along a bag full of regulatory and compliance dimensions. A general counsel is not merely a part of the management core team but plays a crucial role in adherence to tax laws, compliance, and regulations. A general counsel is also the vital link between the company and the executive board and hence his/her accountability goes up multi-fold.

## THE CONFERENCE

The **2nd Annual INBA General Counsel Summit 2019** will strive to seek answers to the most pertinent challenges faced by Indian General Counsel communities today.

The theme of this year's conference is "Tackling The Future...Today"

This forum will provide a meeting place for related domain professionals (from Manufacturing, BFSI, IT, Law, Pharma, Telecom, Government and other major verticals) to gather under one roof for in-depth deliberations on a variety of topics as also provide perfect avenues for networking and business matching amongst industry peers and colleagues.

## **INBA 2nd Annual GC RECOGNITION (Awards)**

Indian National Bar Association (www.indianbarassociation.org) is focused on taking the Indian legal industry and its members to newer heights. Representing the entire legal ecosystem in India, INBA is surging ahead to expand its members' professional network and help disseminate rich industry insights.

As a mark of respect and admiration for the challenging and yeoman services rendered by GCs to corporate India, INBA takes pride in announcing the INBA 2nd Annnual GC Recognition (Awards). This reputed awards ceremony will be held on the side lines of the concurrent conference and will recognize the immense professional contributions of general counsels across verticals and functions, and who through their sheer hard work and perseverance have surmounted various obstacles to efficiently drive their team towards greater success in this complex legal world.

In other words, INBA will attempt to award those professionals who have shown intense dedication to constantly innovate and who have consistently delivered efficient services through better technology and business ideas.

Winners will receive a plaque during the evening Awards Function.
