ABOUT US

Indian National Bar Association (INBA) is India's largest voluntary Bar Association. It serves the community through programs designed to educate and connect members, who are committed in improving the administration of justice, International Trade, and Human Rights around the world.

INBA is a member driven organization; it has more than 10,000 members from across the globe. INBA is focused on taking the Indian legal industry and its members to newer heights. Representing the entire Legal ecosystem in India, INBA is dedicated to expand its members' professional network and industry insight. INBA is the voice of legal fraternity.

The association promotes members through programs that focus on access to justice, human rights, anti- corruption, judicial reform and more. INBA provides resources to help its members become better lawyers.

Each year, the association hosts or participates in events around the world. Existing INBA members contribute valuable insights and knowledge through various modes and means of expressions facilitated by INBA. We help broaden our member's perspectives and help them exchange views through online forums and partnerships with the best organization globally.
