ABOUT INBA

INBA is a member driven organization; it has more than 10,000 members from across the globe. INBA is focused on taking the Indian legal industry and its members to newer heights. Representing the entire Legal ecosystem in India, INBA is dedicated to expand its members' professional network and industry insight. INBA is the voice of legal fraternity.

The association promotes members through programs that focus on access to justice, human rights, anti- corruption, judicial reform and more. INBA provides resources to help its members become better lawyers.

Each year, the association hosts or participates in events around the world. Existing INBA members contribute valuable insights and knowledge through various modes and means of expressions facilitated by INBA. We help broaden our member's perspectives and help them exchange views through online forums and partnerships with the best organization globally.

ABOUT CONFERENCE

The unique advantage of INBA Annual Conferences are the hybrid networking(online & physical) and business development opportunities that they provide for both individuals and firms. They are a chance to make new contacts from across the globe, as well as to maintain existing relationships and catch up with old friends.

In recognition of this, you will have networking session where you can meet individually and interact at a private table. During this pandemic situation we have managed to make our overseas delegation comfortable through Artificial Intelligence powered software to meet the colleagues and grow business networking.

For overseas delegation, we will provide you with a video networking experience that is as close to networking in-person as possible, but from the comfort of your own chair, and will still enable you to make invaluable contacts, and develop new business.
